

# **GBHS Sober Grad Night Donations**

April 2009

***Granite Bay High School parents support Safe & Sober Night for graduates!***

In times when it is very important to keep teenagers safe from drinking and driving, parents at Granite Bay High School are bonding together to create an event for their graduates to attend to keep them safe and off the streets on graduation night.

Sober Grad Night takes place at Roseville Golf and SunSplash on graduation night in June but it takes a lot of money and advance planning to make this happen. Proceeds from your donation (in addition to other fundraising efforts) help pay for the entertainment, prize drawings, keepsakes and lots of great food on graduation night.

We greatly appreciate your support!
